and		
<u>The Anatomy Coloring Book</u> by Wynn Kapit/Lawrence M. Elson, <i>3rd Edition</i> \$7-\$17 used		

The prices with numbers are from Rainbow Resource site. Many of these are older editions and will have to be found used. Class sizes do not promise to be large enough for me to invest in newer editions at this point. If you need help finding used ones, let me know. I have many on my shelf or know people who might have them.
